

SONI DEVANSHI KISHORBHAI

Web Developer & Designer — Open to Work From Home Internships

Nikol, Ahmedabad, Gujarat | +91 9924240041 | devasoni889@gmail.com

CAREER OBJECTIVE

A motivated and quick-learning B.Com graduate seeking a Work From Home internship where I can apply my web development, design, and communication skills, while growing into new areas such as video editing, AI tools, and digital marketing.

EDUCATIONAL QUALIFICATION

Qualification	Board / University	Percentage / CGPA	Passing Year
10th	G.S.H.S.E.B	80.86%	2020
12th	G.S.H.S.E.B	73.81%	2022
B.Com	Smt. AP Patel Arts & Late Shree NP Patel Commerce College	7.61 CGPA (First Class Distinction)	2026

SKILLS

- Web Development:** HTML, CSS, JavaScript, Python (basics), MySQL (learning)
- Video Editing:** CapCut, InShot
- Graphic Design:** Canva, basic UI/visual design
- AI Tools:** Familiar with using AI tools (Claude, ChatGPT) for content, design and productivity
- Strong communication skills and self-driven learning ability

PROJECTS

- Built and delivered live websites for real clients, including a brand website (Aerdola) and a tech-education platform (CoreSoft), both hosted on Netlify
- Designed a portfolio website for a content creator/reel editor
- Self-taught through hands-on practice, building multiple frontend projects from scratch with no templates

SOFTWARE SKILLS

- MS Word, MS PowerPoint
- VS Code
- CapCut, InShot
- Canva

STRENGTHS

- Good communication skills
- Self-motivated and quick learner
- Positive attitude
- Team work
- Comfortable working independently in a remote setup
